

Date: March 31, 2016

TO WHOM IT MAY CONCERN

This is to certify that Ms. Malika Kassenova worked as a Planning Engineer in Planning and Cost Control Department of Entegre Satek at Abu Dhabi Plaza project from April 13, 2015 to March 31, 2016.

She has performed her duties in a diligent manner and was a valuable member of the company.

Ms. Kassenova was responsible for creating and updating a Primavera P6 project schedule based on the contract, making changes in the program in order to meet milestones, monitoring critical activities and advising project management, updating progress on daily basis according to field progress reports, comparing planned and actual progresses, preparing weekly reports which included manpower histograms and progress 'S' curves, and studying impact of alternative approaches to work.

While working in the company, Ms. Kassenova demonstrated excellent analytical skills, technical mind, ability to work under minimum supervision, attention to details, good literacy and communication skills.

We wish her all the best for her future assignments that she may carry out.

Fahri Kurt
Project Coordinator
